

We would like to extend an invitation to you to hear our speaker and to ask for your support of the Pro-life cause. We rely heavily on our “Table of 8 “ sponsors to make our Respect Life Dinner a success. Please invite family and friends to join you for an evening of motivation and to learn more about the Pro-life issues facing us today. Thank you for your support in making our previous dinners a success.

2023 Speaker

Steve has always been pro-life, but, like many people, he never really did anything about it. All of that changed when his wife found out that a friend was pregnant—and planning to have an abortion.

Worried and not sure what to do, they offered support, empowering her to make a life decision for her baby. Steve and his wife scheduled a dinner with their friend, but she never showed up. Instead, she had an abortion...while they sat waiting for her. At that moment, Steve realized it wasn't enough for him to be pro-life; he had to do something about it. (See attached flier)

Steve now serves as the Campaign Director for 40 Days for Life and lives in Madison, with his wife Laura and their children, Peter, John Paul, Teresa, Kathrine and Benedict.
